# GET YOUR BUSINESS MOVING FASTER . . . IN THE RIGHT DIRECTION

Marquette NOW and the Westfield Chamber, Oxford Chamber and the Montello NOW (formerly Montello Chamber) are **THE** organizations for the Marquette County communities. Comprised of diverse member businesses and organizations, they all include dynamic businesses, ranging from entrepreneurs and small, home-based companies to large, . . . even international organizations.

Extensive opportunities for exposure - "together" - has allowed us to uniquely and unitely grow. It has served as a conduit for small business owners and staff to make connections with other leading businesses.

## COMMUNITY AND ECONOMIC IMPACT

Our goal is to help strengthen businesses as well as our local communities. By providing unique opportunities for individuals and businesses to make a difference in each other's community while growing their business. Whether your interest is in education and growing the workforce for tomorrow or in adult leadership development, our organizations have a way to help you connect.

## GOVERNMENT RELATIONS

We are proud to be recognized as a voice for businesses in Marquette County, . . . continually being a strong advocate for our business community. We identify and evaluate issues which could impact business and community sustainability and provide ongoing communications and relationship building to help ensure the implementaion of sound public policy.
